## 2019 LFL Regional Conference – Joppa, Maryland – Speaker Information

- **Rev. Scott Licht**, National Director of Lutherans For Life – “**Four Little Words**” – In this session, we will explore how four little words can be both the most deadly and the most joyful at the same time.
- **Rev. Mark Chavez**, General Secretary, North American Lutheran Church – “**Abundant Blessings in Dying and Death**” – The Scripture theme is Job 12:10 – “In his hand is the life of every living thing and the breath of all mankind.” The demand for elective abortion and physician assisted suicide is the idolatrous assertion that life rests in human hands, not God’s. It is one of the most tragic symptoms of our sinful human rebellion against the living God. It alienates us from God and from each other. Furthermore, these forms of murder rob us of the abundant blessings God desires to shower upon us. The killing of the unborn child obviously cuts off divine blessings, but so does the killing of the sick and the dying. This presentation will focus on the abundant blessings our Heavenly Father showered upon his child, Jocelyn Chavez, over the course of her long terminal illness. The blessings poured out upon her, her family, the body of Christ and even strangers.
- **Rev. Dr. Dennis Di Mauro**, Pastor of Trinity Lutheran Church, Warrenton, Virginia – “**The Maryland Physician-Assisted Suicide Bill**” – A discussion of the bill, its defeat and likely reintroduction, and the lessons of the Netherlands.
- **Heather Ruesch** is a well-respected life issues educator and author of *Sexuality Mentality, Creating A Culture of Biblical Integrity* (CPH) – “**My Body, My Life, My Value in Christ: A Discussion on Life and Sexuality**” – Heather is passionate about youth and being a voice of God’s truth in their lives, speaking nationally at conferences, youth gatherings, high schools, women’s events and more. Heather lives in Kingsford, Michigan with her husband Matt and their children Bella, Paul, and Sofia.
- Student speakers will share heartfelt presentations on important life topics.
