

## **INTRODUCING THE LIFE TEAM TOOL BOX**

**Are you passionate** about the gospel? The sanctity of human life? The church?

**Do you long** to see your congregation connecting these three passions – to become a church that enjoys and lives out the gospel in the life arena?

### **If so, then allow us introduce the new LIFE TEAM TOOL BOX.**

It contains all the tools you need (except the all-important blessing of God) to start and grow a gospel-motivated Life Team in your church that God can use to humbly and carefully:

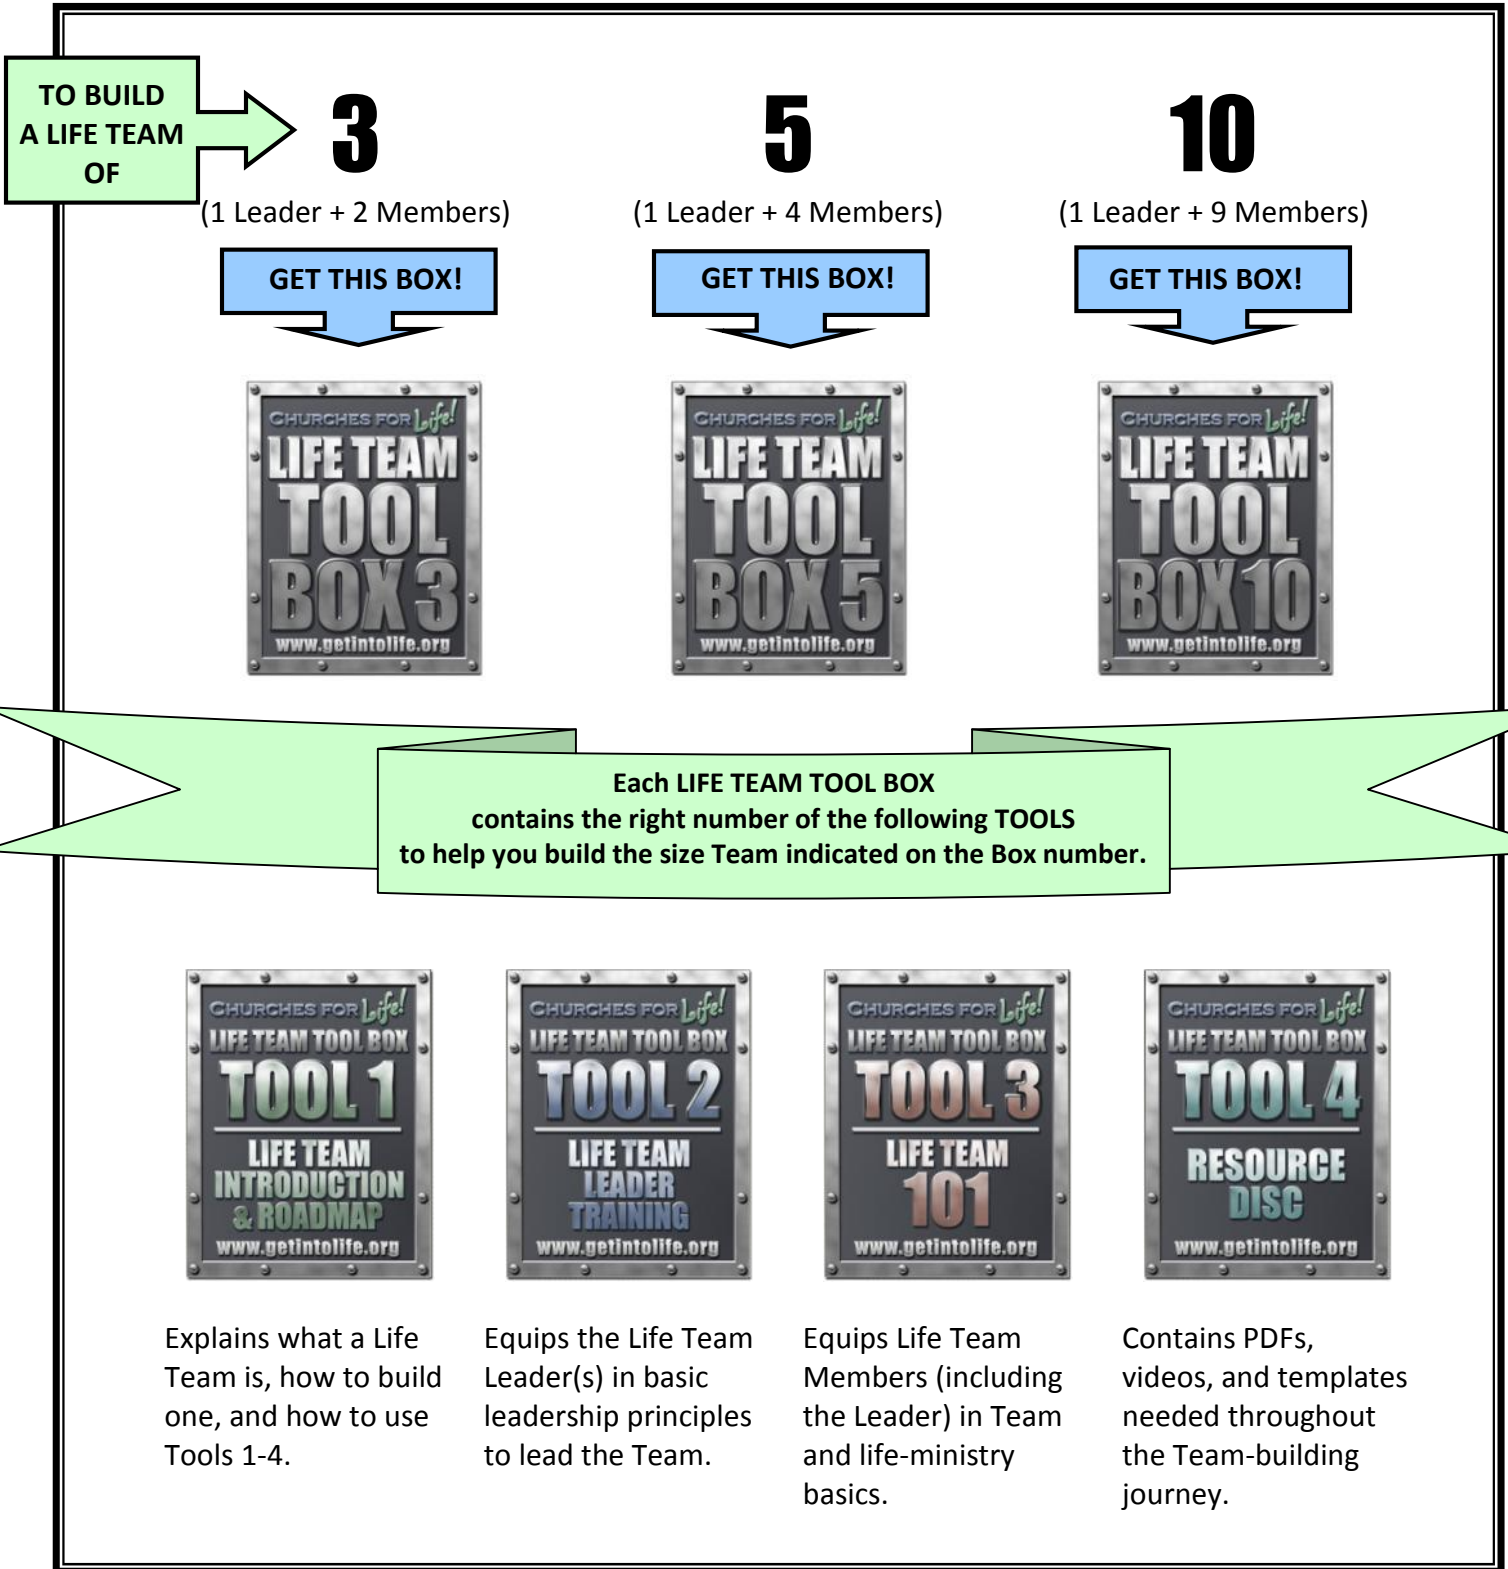

1. remind your church that God is a **Rescuer**, that the gospel is a message of **rescue**, and that all who trust in Christ as He is presented in the gospel are, by definition, **rescued**.
2. equip your church to live out their **being-rescued** in the gospel by joyfully **rescuing** those in peril around them, like the unborn, and many others.

In short, the LIFE TEAM TOOL BOX will help you grow a Life Team that will equip your church as gospel-motivated “**rescued rescuers**.” God has used these Tools to build Life Teams in churches around the nation that have helped their churches:

- pray for deeper gospel-astonishment and gospel-centered strength to engage in life issues.
- inform teens and adults about the many ways people around us are in peril.
- think deeply about themes of human dignity, identity, and value.
- learn how to raise children with sexual and relational integrity.
- connect to life-affirming service opportunities, like becoming a counselor in a local Christian crisis pregnancy center.
- pursue adoption and foster care.
- learn how to care for infirm and imperiled older adults.
- minister to moms and dads in a crisis pregnancy on the sidewalk in front of an abortion clinic.
- collect baby items and diapers that are then given to local Christian crisis pregnancy centers to help moms and dad in crisis pregnancies
- and much more!

**The LIFE TEAM TOOL BOX contains several Tools (videos, syllabi, and PDFs) that outline a simple, field-tested, step-by-step process for building a gospel-motivated Life Team in your church.** Using the LIFE TEAM TOOL BOX, God has equipped people with little or no experience to successfully build Life Teams in churches of all sizes.
