After a record-breaking 2017, Planned Parenthood’s latest annual report (2018-2019) has revealed that the taxpayer-funded abortion corporation managed to rake in a whopping \$110 million in excess revenue for that year, making Planned Parenthood’s net assets for 2018 nearly \$2 billion ... In Planned Parenthood’s latest 2018-2019 annual report, it also reported its largest number of abortions ever in a single year, ending the lives of 345,672 preborn babies in 2018, an increase of almost 13,000 from 2017. Planned Parenthood now does 40 percent of all U.S. abortions. (*Live Action News*, 1/14/20; *CLR LifeWire*, 1/16/20)

Make plans now to join LFL in 2020 for our regional conferences. We will be in West Fargo, North Dakota, on August 29; Pittsburgh, Pennsylvania, on September 26; Peoria (Phoenix), Arizona, on October 24; and Orlando, Florida, in November. Go to www.lutheransforlife.org/conference.

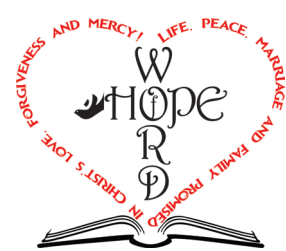

Speaking up For Life

“God has given each of us a limited time to be on this earth, a purpose for that time, and people to share that time with. Don’t wait for a near-death experience to teach you the lesson of appreciating to the fullest what God has given you. Life is too short.” *Diane E. Schroeder, former president of Lutherans For Life*

“Life is a gift not to be discarded. It can indeed make us weary when we do our work to proclaim life as valuable, and the world continues to abort babies, write prescriptions for people to commit suicide, and minimize the value of life in so many ways. Yet, it is encouraging to know we have the gift of prayer to use to strengthen us, knowing the God of life is always in front of us guiding our way, always behind us holding us up, and always beside us keeping us focused and on the right course.” *Virginia Flo, LFL Regional Director of Minnesota*

“And what about those mothers who acted on their fears and aborted their child? We need to be there for them as well, assuring them of a loving, merciful, forgiving God—reminding them that there is no sin that Jesus did not pay for on the cross!” *Duane Matz, former lay pastor with the Association of Free Lutheran Congregations (AFLC) and Christian radio announcer.* (For those who have made an abortion decision, there is a Word of Hope. Lutherans For Life at 41

by Pastor Michael Salemink

We’re now forty-one. Is that over the hill? Only because with the Gospel as our gravity we’re picking up speed with the wind at our backs. So, let’s save the black balloons for the victims of our culture’s crusade against the sanctity of life. Meanwhile, we’ve made a few resolutions, and we hope you’ll keep helping us come through on them:

1. Facilitate more Life Chapters and Life Teams (www.lutheransforlife.org/about/life-chapters-and-life-teams). We’re going to help Gospel-motivated voices For Life organize into volunteer communities across the country.
2. Raise awareness about Word of Hope (word-of-hope.org). Our nationwide, toll-free, 24-hour, completely confidential, distinctively Lutheran crisis care and post-abortion healing hotline will share Christ’s loving forgiveness with those broken by the devil’s deceptions.
3. Engage hundreds at regional conferences (www.lutheransforlife.org/conference). We’ll gather life-minded brothers and sisters in Christ for affordable fellowship, celebration, worship, and a wealth of expert educational sessions.
4. Produce and distribute hundreds of thousands of *LifeDate* issues (www.lutheransforlife.org/media/lifedate). We’ll put our industry-leading quarterly journal in hallways, homes, and hands (along with email inboxes) from sea to shining sea—at no charge to anyone.
5. Develop Life Sunday worship resources for congregations (www.lutheransforlife.org/store).
6. Incorporate teenagers (Y4Life.org). Through education and service, our Y4Life ministry will continue to equip the next generation to answer the question, “Why should we be For Life?” Based on the Gospel of Jesus Christ, we’ll inspire and empower Lutheran high schools and universities to become voices For Life in their own contexts and beyond.
7. Connect with students and teachers (www.lutheransforlife.org/store; www.lutheransforlife.org/about/owens-mission).
8. Offer new materials (www.lutheransforlife.org/store). Plus, we’ll be making available more shareable digital content (think social media images and videos) than ever before!
9. Visit gatherings throughout the land (www.lutheransforlife.org/about/speakers-bureau-concerts-for-life). We’ll energize and unify countless Lutherans in thinking and talking about how life matters as we build bridges for fellowship and evangelism.

And we’re determined to do it with just what our ministry is known for: The Gospel of Jesus Christ. We’ll speak the truth in love about life the whole way, declaring it with courage and demonstrating it with compassion as we share how our Lord creates, redeems, and calls every human life as His own precious treasure from fertilization to forever!
