

## St.Gregor's Christian Mission Center

St.Gregor's Christian Mission Center in Saldus, Latvia is a gathering place for missionaries from all around the world. Founded in 1995 by the Latvian Evangelical Lutheran Church, the Norwegian Mission to the East and the local Lutheran parish of St.John's congregation in Saldus, St.Gregor's believes it has a call to equip evangelists locally and missionaries globally.

### Mission

The Latin phrase *missio Dei* is translated as 'sending of God' - is of God's essence. If we look upon mission as the essence of God and not just as a church activity, it is a paradigm shift on how we view the Church - the living body of Christ. We call the Church to discover and implement its mission in the world, provide purpose-oriented training and resources for individuals to fulfill their God-given tasks, and coordinate mission projects both in the local community and abroad.

Our statement: faithful followers of Jesus Christ in all nations are to disciple ever new followers of Christ to accomplish God-given tasks in the Church and in the world.

St.Gregor's is based on the confessions of the Lutheran Church, and yet it is open to people of any Christian denomination. The Seminar and Retreat Center runs programs all year round.

### \*Mission school

This is a full-time 4 month program. We're training and equipping missionaries for ministry abroad and in Latvia. The curriculum is designed to provide extensive knowledge of the Bible and theology, and skills required for actual ministry work. The program includes mission trips to different locations in Latvia and abroad (e.g. to India). After completion of the 4 month program, students may continue to reside at St.Gregor's as volunteers.

### \*Bible studies

It is possible for students to continue their studies of Biblical theology and mission at the Mission Center for one or more weeks throughout the school year (with boarding).

### \*Voluntary service

Voluntary service means to join the mission projects of the Mission Center by individually designed schedule. Volunteers may also participate in the different courses/trainings provided by St.Gregor's.

We offer a great opportunity to study the Word of God, receive training in ministry, and build friendships with fellow Christians of different ages and a variety of backgrounds.

Life at St.Gregor's consists of three equally important learning processes which work together to assist the Christian into becoming a missional leader:

- \* Education & Training
- \* Spiritual Experience and Spiritual Growth
- \* Praxis
