

## **Y4Life Servant Events- A great opportunity to learn, grow, and serve the Lord of LIFE!**

Y4Life Servant Events are a wonderful opportunity for chapters, life teams, schools and churches to reach out to youth and engage them in making a meaningful difference for Life in their community. They are adaptable to your area and your students and, best of all, they lay the foundation for future ministry opportunities with youth.

Our servant event programs consist of training in life issues for the students, as well as service projects at local life-affirming ministries in their community.

In order for a chapter, life team, congregation, or school to host a servant event, a few things are necessary:

- Facilities suitable for students to stay overnight (i.e. showers, separate rooms for guys/girls, kitchen). Sleeping on the floor of a classroom/meeting room is sufficient
- Local life-affirming ministries, such as senior-centers and pregnancy centers, where students can complete service projects
- Volunteers from the church or community who are willing to help with driving, chaperoning (including overnight) and meal preparation

I will personally help with making arrangements with the service project locations and will be present to lead all of the programmatic aspects of the event, as well as serve as a chaperone. Y4Life will also set up the registration site and provide t-shirts and program materials.

Events are usually two days, one night (i.e. starts on Friday, ends on Saturday) but we can do whatever you feel is best in your situation. We also typically charge \$25 per student, to be paid in advance. This encourages commitment from the students and covers the costs of t-shirts and materials.

Y4Life Servant Events are designed primarily for high school students. Our goal would be to have 10-25 participants for each event.

If you are interested in bringing one of these events to your area, contact me at [ldavis@lutheransforlife.org](mailto:ldavis@lutheransforlife.org) or (979) 716-8030 at least 4-6 months in advance.

Blessings in Christ!
